ITALIAN SUMMER
STEVIE NICKS

CAPO: 1st Fret

INTRO: Dm (Strummed Quickly then stopped abruptly)
   Then **F Dm Bb C C7 C**

VERSE:
F
The rose stood out
Dm
Red against the golden wall
Bb
The sun comes through the silken drapes
C   **C7**
The room begins to glow
F   **Dm**
All in cream-colored ivories
            Bb
And soft yellows you say hello
 C   **C7**
Put down that guitar and handed me a rose

CHORUS:
 F
At the end of the Italian summer
Dm   **Bb**
It rains fast and it rains hard
                               C
The wind blows right through you
            C7
It tears you apart

 F
Ohh its so romantic
Dm
Hey its so soulful
Bb
The rain falls down

```
          C        C7
And the thunder rolls

VERSE:
 F
The sun fades out
            Dm
And the mountains grow tall
Bb                        C        C7
The mists rush in and they take it all
          F                Dm
From the islands you see Li Galli and Capri
Bb
I remember it all
 C                      C7           C    C7
Love was everywhere you just had to fall

CHORUS:
 F
At the end of the Italian summer
Dm                          Bb
It rains fast and it rains hard
                              C
The wind blows right through you
            C7
It tears you apart

 F
