But I carry this feelin when you walked into my house  
That you wouldn t be walkin out the door.

When you walked into my house that you won t be walkin out

-----

You in the moonlight with your sleepy eyes,  
Could you ever love a man like me?  
And you were right: when I walked into your house,  
I knew I d never want to leave.

Sometimes I m a strong man,  
Sometimes cold and scared,  
And sometimes I cry.

But that time I saw you, I knew with you to light my nights,  
Somehow I d get by.

[Chorus]
