(VERSE):The problem here is not my fear
The trouble is you can t convince yourself
For tonight, let s lose the past
Make love last
Put our worries up on the shelf

We ve been through thick and thin, and back again
And we can endure love s sweet pain
Remember, starting the fire is easy
The hardest part is learning how to keep the flame

Love s like walking a real fine line
You get too close and you ll go blind
Let go too long and it will all drift away

(Repeat Chorus):

(BRIDGE):(E)Just when I feel like I m (F#m)losin you
I (G#m)hear them voices call(A)
They (E)say it s better to have (F#m)lost at love
Than (G#m)never to have loved at all(A)
Lose or win, stand or fall

Well, there s more to love than makin time
The harder you look, the more you ll find

It s never easy, no matter what they say
