

Planets Of The Universe
Stevie Nicks

Intro: Em D Em D Em D Em Em D Em D Em
 / / / / / / / / / / / / / / / /

Em D C Em
The bright light is lying down
 C D Em
The earth and sea and sky
 D C Em
Is at rest with the ocean, mmmmm
 C D Em
And the days go by

 D C Em
They go into the seas that have no shores
C D Em
Haunted by that same closed door
 D C . Em
Looking up at skies on fire
 C D Em
Leaving nothing left of us to discover.

C D Em
And the planets of the universe go their way
C D Em
Not astounded by the sun or the moon or by the day
C D Em
You and I will simply disappear out of sight
C D Em D Em D
But I m afraid soon there ll be no light

Em D Em D Em D Em Em D Em D Em
/ / / / / / / / / / / / / / / /

No doubt, no pain, come ever again.
 C D Em
Well let there be light in this lifetime
 D C Em

In the cool, silent moments

C D Em

Of the nighttime. (Of the nighttime.)

C D Em

And the planets of the universe go their way

C D Em

Not astounded by the sun or the moon or by the day

C D Em

We will never change again the way that we are changing

C D Em D Em D

Well, you ll forget the chill of love but not the strain

C Bm Em

Now I know

C Bm Em

Well, I was wrong to live for a dream

C D Em

If I had my life to live over

C D Em

I would never dream, no

C D

I still wish you gone

C D

And I will live alone

C Am

Yes, I will live alone

C D Em

And the planets of the universe go their way

C D Em

Not astounded by the sun or the moon or by the day

C D Em

You and I will simply disappear out of sight

C D Em D Em D

But I m afraid soon there ll be no light

Em D C D C D Em D

You will remember but I will die a slow death

C D Em

It s only an overture to something that was best

C	D
Well	Well
