VERSE 1

D **A**
 You think you hear demons
G **A**
 I think we are the demons
D **A**
 In this place
G **A**
 where the images are born
D **A**
 You remember your childhood
G **A**
 Oh, in fiery sequences, the sun goes down

CHORUS

G D A **G D A**
 Filling the air with colors and winds
G D A
 That lift you up to God
G D A(hold)
 That lift you up to God

VERSE 2(play intro)

You fall to your knees
You embrace the storm
You no longer care
If it s cold or if it s warm
You live for the danger
Like your passion and your anger, you don t let go

CHORUS

You like to be twisted by the force
You like to be shaken by the wind
In this game that you play with God
You ve been warned to retreat

VERSE 3

You take it to the limit
When the winds come up
Crazy men, crazy women
Cryin out for love
You d like to save her
But you just can t give it up

CHORUS

You d rather be wrapped up
In the arms of the storm
You d rather be wrapped up
In the arms of the storm
Crazy men, crazy women
In the storm
And the sun goes down
Chasing down the demons
You think you hear demons
Chasing down the demons
Crying out for love
