WIDE SARGASSO SEA

G **F**
In the beginning she was stunning and pure
C **Eb**
When he first saw her he fainted to the floor
G **F**
She was distant and arrogant from the start
C **Eb**
She did not see the fragile state of his heart
G
She fell in love with him
F
On that very day
C
She became softer
Eb
In every way
C
Even though
D
They were so in love
C
They drew a line in the sand
D
Just because
C
They did not know each other
D
They did not trust
C
The only thing that they did together
D
Was to make love

In the beginning

She was stunning and pure

In the smoke and the fire

Well they never found her

She went back into the ocean

Back to her white house

For a while they were so in love

For a while they were so in love

She burned his house down

NO GUITAR FROM THIS POINT ON UNTIL THE ENDâ€

My face

My eyes

My lips

You may have forgotten that

You may have forgotten that

You may have forgotten that

But youâ€™ll never forget that
