Change It
Stevie Ray Vaughan & Double Trouble

 [Intro]
G#m E G#m E G#m

[Verse]
G#m   E   G#m   E
 You can t change it, can t rearrange it
G#m   F#   E   G#m
 If time is all we got, then baby, let s take it

G#m   E   G#m   E
 Lovin is a lovin , the moment is a-right
G#m   F#   E   G#m
 It s worth all the years in the past, let s go one more night

[Chorus]
B
 Get away from the blind side of life
A
 Honey, I want you to be by my side
E   G#m
 Me and my backdoor moves ain t no more, no more

[Solo]
G#m E G#m E G#m F# E G#m x2

[Chorus]
B
 Get away from the blind side of life
A
 Honey, I want you to be by my side
E   G#m
 Me and my backdoor moves ain t no more, no more

[Verse]
G#m   E   G#m   E
 Goonight my darlin , another day has passed
G#m   F#   E   G#m
 Forget all those painful memories, our love s gonna last

E   G#m E   G#m
 Come to me baby, come to me one more time
E   G#m E   G#m
 It s time we we got movin , time to move on
E   G#m E   G#m
 Let s slide out the door, let s slide out the door
E   G#m E   G#m
 Let s slide out the door, let s ride our way home

```
E                           G#m   E                    G#m
 Let s glide our way home, let s go, let s go
E                     G#m   E                   G#m
 Let s go, let s go,   I ve come back for more
```

[Solo]
E G#m x12

[Outro]
F# E F# G#m
