

Cold Shot Intro
Stevie Ray Vaughan

Standard: EADGBE or you can drop a half step: Eb Ab Db Gb Bb Eb

```
E: | -0---0---0---0-7-5-----  
B: | -0---0---0---0-7-5-----  
G: | -0---0---0---0-7-5-----  
D: | ---7---5---7-----  
A: | -----  
E: | -----
```

Note: The open 1st,2nd,3rd strings are raked, which means you upstroke them and then quickly mute it. This technique is difficult and requires much practice. Stevie repeats those notes at least 15 times then goes to this....

```
E: | -0---0---0---0-7-5--0---0---0---0-12-10-0---0--0--0-12-10-----  
B: | -0---0---0---0-7-5--0---0---0---0-12-10-0---0--0--0-12-10-----  
G: | -0---0---0---0-7-5--0---0---0---0-12-10-0---0--0--0-12-10-----  
D: | ---7---5---7-----7---5---7-----12--10-12-----  
A: | -----  
E: | -----
```

He then plays the Jimi Hendrix chord: Em7#9....

```
E: | -----  
B: | -8---8-8-8---8---8-8-8-----  
G: | -7---7-7-7---7---7-7-7-----  
D: | -6---6-6-6---6---6-6-6-----  
A: | -7---7-7-7---7---7-7-7-----  
E: | -----
```

Repeat First 2 Verses... I have 2 DVDs of SRV, called Live at Montreaux (Montreal), I m 99.99% positive this is right. Make your own variations, but I learned this from my guitar teacher who specializes in SRV, and some videos on Youtube. Thanks for reading,
Good Luck! RIP Stevie Ray
