

**All About The Love Again**  
**Stevie Wonder**

**F** **C**  
What, if someone made

**Dm** **C**  
A soda that caused everyone to love each other

**Bb** **C** **F**  
Mmm, oh yeah, that sounds so good to me

**F** **C**  
And if just, a tiny pill

**Dm** **C**  
Could make us see that we re truly sisters and brothers

**Bb** **C** **F**  
Mmm, oh yeah, that sounds so nice to me

**F** **Bb**  
And we, would have no time to waste

**C**  
On trivial things like war and pain

**F** **Bb**  
And we d, be filled with joy to know

**C**  
Through love the universe we changed

**C#m**  
To being

**Dm** **C**  
All about the love again

**Bb** **F**  
All about the love my friend

**Bb** **C** **F**  
This whole world would be all about the love again

**C#m**  
We d be

**Dm** **C**  
All about the love again

**Bb** **F**  
No need to pretend

**Bb** **C** **F**  
This whole world would be all about the love again
