Verse 1:

    F6   C
For you;

                        Bbmaj7 Am7
There might be another star.
            Gm7
But through my eyes,
          A7#5   F6
The light of you, is all I see.

Verse 2:

    F6   C
For you;

                        Bbmaj7 Am7

But all my heart can hear,
   A7#5   F6
Is your melo-dy.

Chorus 1:

        Cm7
So long a-go,
   F7   Bbmaj7
My heart without de-manding;
   Cm7
In-formed me that,
   F7   Bbmaj7

No other love could do.
```
    Dm7           G7
```
But listen did I not,
```
           Cmaj7       A7
```
Though under-standing,
```
                    Dm7
```
Fell in love with one,
```
        E7                      A
```
Who would break my heart in two.

Verse 3:

    F6    C
```
For you;
```
                              Bbmaj7   Am7
```
Love might bring a toast of wine.
```
             Gm7
```
But which each sparkle,
```
        A7#5              F6
```
Know the best, for you I pray.

```
    F6    C
```

```
Love might be for you to find.
```
           Gm7
```
But I will celebrate,
```
    A7#5              F6
```
Our love of yester-day.

My heart without de-manding;
```
   Cm7

In-formed me that,
```
   F7                   Bbmaj7
```
No other love could do.
```
    Dm7           G7

But listen did I not,
```
           Cmaj7       A7
```
Though under-standing,
```
                    Dm7
```
Fell in love with one,
```

Who would break my heart in two.
