intro G#m C#m 2x G#m E D# G#m

G#m C#m G#m C#m  
Free like the river  
G#m E D# G#m  
Flowing freely through infinity  
G#m C#m G#m C#m  
Free to be sure of  
G#m E D# G#m G#7  
What I am and who I need not be

C#m F#m C#m F#m  
Free from all worries  
C#m A6 Ab7 C#m  
Worries prey on oneself s troubled mind  
C#7 F#m  
Freer than the clock s hands  
C#7 F#m  
Ticking way the times  
C#7 F#m D# Absus4 Ab  
Freer than the meaning of free that man defines

G#m C#m G#m C#m  
Life running through me  
G#m E D# G#m  
Till I feel my father God has called  
G#m C#m G#m C#m  
Me having nothin  
G#m E D# G#m G#7  
But possessing riches more than all

C#m F#m  
And I am free  
C#m F#m  
To be nowhere  
C#m A6 Ab7 C#m  
But in every place I need to be  
C#7 F#m  
Freer than a sunbeam  
C#7 F#m  
Shining through my soul  
C#7 F#m D# Absus4 Ab  
Free from feelin heat or knowing bitter cold

C#m F#m C#m F#m

Free from conceiving

**C#m A6 Ab7 C#m**

The beginning for that s the infinite start

**C#m F#m C#m F#m**

I m gone - but still living

**C#m A6 Ab7 C#m**

Life goes on without a beating heart

**C#7 F#m Bm F#m Bm**

Whoa whoa whoa free hmmm like a vision

**F#m D C#7 F#m**

That the mind of only you can see

**F#7 Bm**

Freer than a raindrop

**F#7 Bm**

Falling from the sky

**F#7 Bm Ab C#sus4 C#**

Freer than a smile in a baby s sleepin eyes, yeah

**C#m F#m C#m F#m**

I m free like a river

**C#m A6 Ab7 C#m**

Flowin freely through infinity

**C#m F#m C#m F#m**

Whoa free to be sure of

**C#m A6 Ab7 C#m**

what I am and who I need not to be

**C#m F#m C#m F#m**

And I m much freer - like the meaning

**C#m A6 Ab7 C#m**

of the word free that crazy man defines

**C#m F#m C#m F#m**

Free, yeah, like the vision

**C#m A6 Ab7 C#m**

That the mind of only, only you will ever gonna see

**C#m F#m C#m F#m**

Free yeah, free like the river

**C#m A6 Ab7 C#m**

My life goes on and on through infinity
