Hey love

May I have a word with you?

I d like to tell you, yeah

Just what I ve been going through

My nights are so long

As I watch each hour go by

Hoping and praying

That someday I will be your guy

Hey love

There s one thing I find so true

When you are near me

I go through a change or two

Hearing your footsteps

I hurry to catch your eye

And I stand there waiting, yeah

But girl, you just walk on by

Fmaj7 Fmaj7/A#

Say love
