```
                         DO#       DO#maj7 DO#
No new year s day ... to celebrate
       DO#maj7  DO#              DO#maj7 DO#
no chocolate covered candy hearts to give
  RE#m    RE#mmaj7
a way...
                    RE#m RE#mmaj7  RE#m7 RE#mmaj7
no first of spring...    no song to sing...
           RE#m        SOL#sus4  SOL#    DO#
here s just another  ordinary            day.

             DO#         DO#maj7 DO#
No april rain... No flowers bloom
       DO#maj7  DO#        DO#maj7 DO#
No wedding saturday within the month
  RE#m    RE#mmaj7
of june...
             RE#m RE#mmaj7  RE#m7 RE#mmaj7
But what it is...  Is something true
                   RE#m
Made up of these three words
   SOL#sus4  SOL#    DO#
  that I must say to you.

    RE#m      SOL#      DO#
I just called to say...   I love you
         RE#m       SOL#          SIbm
I just Called to say how much I care
        RE#m       SOL#    SIbm
I just Called to say...  I love you
         RE#m             SOL#sus4 SOL#
and I mean it from the bottom of my
  DO#
heart.

                    DO#         DO#maj7 DO#
No summer s high... No warm july
       DO#maj7  DO#           DO#maj7 DO#
No harvest moon to light one tender august
```

```
   RE#m    RE#mmaj7
night...
                    RE#m RE#mmaj7  RE#m7 RE#mmaj7
No autumn breeze... No falling leaves
                     RE#m          SOL#sus4  SOL#   DO#
No even time for birds to fly to southern skies.

             DO#       DO#maj7 DO#
No libra sun... No halloween...
        DO#maj7  DO#           DO#maj7 DO#
No giving thanks to all the christmas joy
        RE#m     RE#mmaj7
you bring...
                RE#m RE#mmaj7  RE#m7 RE#mmaj7
But what it is ...   Though old so new
                      RE#m
To fill your heart like no three
SOL#sus4     SOL#      DO#
    words could ever do.

RE           MIm      LA       RE          REsus2 RE
