You know you got my load.
Can t you hear me talking to you, honey?
I try to treat you good and give you everything you want,
And sometimes I see you making love with your love doll,
But I still love you more than I love my clavinet.
Come on now, honey-sugar; you know your baby love.
You know just the other day I was gonna take you to go see a movie,
Sweet, Sweetback, cos I thought it might give you some inspiration,
Cos we ain t made love in so long.
Come on now, sweet little sugar honey baby,
Now what if you knew I was going to put my harmonica down
Just to make love to you?
Come on now, honey, you know the woofers waiting on you.
Come on now, baby;
You know your baby loves you even more than he loves his clavinet.
