

**How To Fly**  
**Sticky Fingers**

**C#m7    E    G#m7    F#**

I take the brakes off  
And I ride  
And then the day starts, Oh yeah yeah yeah  
Oh to get high  
I chase the devil  
Oh yeah yeah yeah yeah  
In to the sky  
Cause hes the one who taught me  
How to fly

I forget my name  
Cause its so insane  
C|-c-c-cocaine  
Oh I forget my name  
Oh I forget my name, oh cause its so insane  
C|-c-c-cocaine  
I ll forget my

I take the brakes off  
And ride  
Oh then the day starts  
Oh yeah yeah yeah  
To get high

Oh I forget my name  
Cause its all the same  
C|-c-c--cocaine  
I forget my name  
Oh I forget my name  
Cause its all the same  
C|-c-c-cocaine  
I forget my name

See  
I drink the venom to release the pain  
Chain smoking  
I suffocate  
Cause we be rebels  
The beast untamed  
Sticky fingers  
Don t forget the name  
Cause its all the same

C|-c-c-cocaine  
I forget my name

I forget my name  
Cause its all the same  
C|-c-c-cocaine  
Oh I forget my name  
Oh I forget my name
