

**These Girl  
Sticky Fingers**

**F#**

When I m lying in her arms

**D#m7**

I ll be thinking about you

**A#m**

I ll be thinking about you, babe

**C#**

I ll be thinking about you, babe

**F#**

Even when she smiles

**D#m7**

I ll be thinking about you

**A#m**

I ll be thinking about you, babe

**C#**

I ll be thinking about you, babe

[Chorus]

**D#m7 C# F#**

Even when I look discretely down into her eyes

**D#m7 C# F#**

You know I m thinking bout that time I spent between your thighs

**D#m7 C# F#**

Even then I wondered deeply through your glances

**D#m7 C# F#**

This girl will never care.

[Verse]

When I m lying in her arms

I ll be thinking bout you

I ll be thinking about you, babe

I ll be thinking about you, babe

Even when she cries,

I ll be thinking about you

I ll be thinking about you

I ll be thinking about you, babe

[Chorus]

Even though I only see you on the TV screen

With all those boys, and your toys, And your pleased scream

I ll easy spend up all this loving for my dream girl  
I don t want to share

[Verse]

When I m lying in her arms,  
I ll be thinking bout you  
I ll be thinking about you, babe  
I ll be thinking about you, babe  
And even when its wild,  
I ll be thinking bout you  
I ll be thinking about you, babe  
I ll be thinking about you, babe

[Chorus]

I m in love with that girl on page 16  
Centrefold in that old paper magazine  
Even when under these circumstances  
Her curves don t compare

[Verse]

I ll be thinking about you  
i ll be thinking about you  
When I m lying in her arms  
I ll be thinking bout you  
I ll be thinking about you, babe  
I ll be thinking about you, babe  
When your with that other guy  
I hope your thinking bout me  
I hope your thinking bout me  
Cause I m thinking about you, babe.
