F#

When I m lying in her arms

Even when she smiles

D#m7

I ll be thinking about you

I ll be thinking about you, babe

C#

I ll be thinking about you, babe

[Chorus]

D#m7 C# F#

Even when I look discretely down into her eyes

D#m7 C# F#

You know I m thinking bout that time I spent between your thighs

D#m7 C# F#

Even then I wondered deeply through your glances

D#m7 C# F#

This girl will never care.

[Verse]

When I m lying in her arms

I ll be thinking bout you

I ll be thinking about you, babe

I ll be thinking about you, babe

Even when she cries,

I ll be thinking about you

I ll be thinking about you

I ll be thinking about you, babe

[Chorus]

Even though I only see you on the TV screen

With all those boys, and your toys, And your pleased scream

I ll easy spend up all this loving for my dream girl
I don t want to share

[Verse]

When I m lying in her arms,
I ll be thinking bout you
I ll be thinking about you, babe
I ll be thinking about you, babe
And even when its wild,
I ll be thinking bout you
I ll be thinking about you, babe
I ll be thinking about you, babe

[Chorus]

I m in love with that girl on page 16
Centrefold in that old paper magazine
Even when under these circumstances
Her curves don t compare

[Verse]

I ll be thinking about you
i ll be thinking about you
When I m lying in her arms
I ll be thinking bout you
I ll be thinking about you, babe
I ll be thinking about you, babe
When your with that other guy
I hope your thinking bout me
I hope your thinking bout me
Cause I m thinking about you, babe.
