

Yours To Keep
Sticky Fingers

[Verso 1]

C# **D#m** **F#** **B**
The last time you held me, I was drunk, I was off my face
C# **D#m** **F#** **B**
Wanted to give you a piece of the sky for your embrace
C# **D#m** **F#** **B**
Cause I don't ever wanna be yours to keep, I'm such a waste
C# **D#m** **F#** **B**
It's nice to know you're there but I'm headed south of westway

(**C#** **D#m** **F#** **B**)

A spinnin' cycle, she's got no brakes
B
Her trigger spoke loose, this broken chain
C# **D#m** **F#** **B**
I don't ever wanna be yours to keep, I'm such a waste
C# **D#m** **F#** **B**
It's nice to know you're there but I'm headed south of westway

C# **D#m** **F#**
And it's all covered in molly, yeah, I made a mistake

B

Yeah, I let you down

C# **D#m** **F#**

She fell over onto some kind of state, yeah

B

We fell through the clouds, it was a devilish fate

C# **D#m** **F#**

And it's all covered in powder, yeah, I made a mistake

B

Yeah, the sun goes down

[Ponte]

C# **D#m** **F#**

Yeah, if you want it then come and fight for it

B

Yeah, if you want it then come and fight for it

C# **D#m** **F#**
