I was a boy, I was dreaming of the U.S.A.,

all the movies I see are from the same place
B **D#m** **F#** **B**
all the music I love is from the U.S.A.,

all the stars that I see have an American face.

B **D#m** **F#** **B**
The only blue jeans I wear are from the U.S.A.,
B **D#m** **F#** **B**
the sneakers here on my feet, they are American made
B **D#m** **F#** **B**
Presley, Monroe and Dean are from the U.S.A.,
B **D#m** **F#**
Louis Armstrong, Sinatra and Marvin Gaye.

[Chorus]

C# **F#**
Dreaming, dreaming in the U.S.A.,
C# **F#**
dreaming, dreaming in the U.S.A.,

dreaming, dreaming in the United States.

B **D#m** **F#** **B**
You seek a visa, youâ€™re dreaming of the U.S.A.,
B **D#m** **F#** **B**
itâ€™s never easier looking for another way
B **D#m** **F#** **B**
God bless America, dreaming of the U.S.A.,
B **D#m** **F#** **B**
are we hysterical, dreaming of the United States?

Donâ€™t stop dreaming, donâ€™t stop dreaming.

[Verse]

C# F# G# C#
And so they work in the fields across the U.S.A.
C# F# G# C#
the work nobody else wants to feed their family
C# F# G# C#
they join the army, theyâ€™re fighting for the U.S.A.
C# F# G# C#
here in the land of the brave, and the home of the free.

[Chorus]

C# F#
Dreaming, dreaming in the U.S.A.
C# F#
dreaming, dreaming in the U.S.A.
C# F#
I m dreaming, dreaming in the U.S.A.
C# F#
dreaming, dreaming in the United States.

[Bridge]

C# F# G# C#
Big up all the immigrants living and working right here inside of America
C# F# G# C#
get up every morning working two jobs to make it here in America
C# F# G# C#
Iâ€™m a military man, who carried arms and fight in defense of America
C# F# G# C#
I await the day, when we will all inhabit a better America.

C# F# C# F#
Dreaming, dreaming, dreaming, dreaming in the U.S.A.
C# F# C# F#
Dreaming, dreaming, dreaming, dreaming in the U.S.A.â€|
