I hate to say it, but it's probably me

When your belly's empty and the hunger's so real
And you're too proud to beg and too dumb to steal
You search the city for your only friend
No one would you see

You ask yourself, who could it be
A solitary voice to speak out and set you free
I hate to say it
I hate to say it, but it's probably me

Am7 D

You're not the easiest person I ever got to know

Gadd9 G Am7 Em D Am7
