I hate to say it, but it s probably me

When your belly s empty and the hunger s so real

And you re too proud to beg and too dumb to steal

You search the city for your only friend

No one would you see

You ask yourself, who could it be

A solitary voice to speak out and set you free

I hate to say it

I hate to say it, but it s probably me

You re not the easiest person I ever got to know

When the world's gone crazy and it makes no sense

There's only one voice that comes to your defense

The jury's out and your eyes search the room

And one friendly face is all you need to see
