Am                Am/C
A stone s throw from Jerusalem
Fmaj7              E
I walked a lonely mile in the moon light
Am                Am/C
And though a million stars were shining
Fmaj7              E
My heart was lost on a distant planet
Am                Am/C
That whirls around the April moon
Fmaj7              E
Whirling in an arc of sadness
Am                Am/C  E                E
I m lost without you  I m lost without you
Fmaj7              Dm7
Though all my kingdoms turn to sand
Adim7              E
And fall into the sea
Am                Am/G              F      E      Am
I m mad about you    I m mad about you

And from the dark secluded valleys
I heard the ancient songs of sadness
But every step I thought of you
Every footstep only you
And every star a grain of sand
The leavings of a dried up ocean
Tell me, how much longer? How much longer?

They say a city in the desert lies

The vanity of an ancient king
But the city lies in broken pieces
Where the wind howls and the vultures sing
These are the works of man
This is the sum of our ambition
It would make a prison of my life
If you became another's wife
With every prison blown to dust
My enemies walk free
I'm mad about you I'm mad about you
Cadd9 E7+
And I have never in my life
Asus4
Felt more alone than I do now
B? F
Although I claim dominions over all I see
C/E
It means nothing to me
Dm7
There are no victories
Adim7 E E7
In all our histories, without love

A stone's throw from Jerusalem
I walked a lonely mile in the moonlight
And though a million stars were shining
My heart was lost on a distant planet
That whirls around the April moon
Whirling in an arc of sadness
I'm lost without you I'm lost without you
Fmaj7 Dm7
And though you hold the keys to ruin
Adim7 E
Of everything I see
Fmaj7 Dm7
With every prison blown to dust,
Adim7 E
My enemies walk free
Fmaj7 Dm7
Though all my kingdoms turn to sand
Adim7 E
And fall into the sea
