Bbm Bbm/C
A stone s throw from Jerusalem
F#maj7 F
I walked a lonely mile in the moon light
Bbm Bbm/C
And though a million stars were shining
F#maj7 F
My heart was lost on a distant planet
Bbm Bbm/C
That whirls around the April moon
F#maj7 F
Whirling in an arc of sadness
Bbm Bbm/C F F
I m lost without you I m lost without you
F#maj7 Ebm7
Though all my kingdoms turn to sand
Bbdim7 F
And fall into the sea
Bbm Bbm/G F# F Bbm
I m mad about you I m mad about you

And from the dark secluded valleys
I heard the ancient songs of sadness
But every step I thought of you
Every footstep only you
And every star a grain of sand
The leavings of a dried up ocean
Tell me, how much longer? How much longer?

They say a city in the desert lies

The vanity of an ancient king
But the city lies in broken pieces
Where the wind howls and the vultures sing
These are the works of man
This is the sum of our ambition
It would make a prison of my life
If you became another s wife
With every prison blown to dust
My enemies walk free
I m mad about you I m mad about you

C#add9 F7+

And I have never in my life

Bbsus4

Felt more alone than I do now

B? F#

Although I claim dominions over all I see

C#/E

It means nothing to me

Ebm7

There are no victories

Bbdim7 F F7

In all our histories, without love

A stone s throw from Jerusalem

I walked a lonely mile in the moonlight

And though a million stars were shining

My heart was lost on a distant planet

That whirls around the April moon

Whirling in an arc of sadness

I m lost without you I m lost without you

F#maj7 Ebm7

And though you hold the keys to ruin

Bbdim7 F

Of everything I see

F#maj7 Ebm7

With every prison blown to dust,

Bbdim7 F

My enemies walk free

F#maj7 Ebm7

Though all my kingdoms turn to sand

Bbdim7 F

And fall into the sea

Bbm Bbm/G F# F Bbm

I m mad about you I m mad about you
