a intro é tocada 6 vezes até entrar a voz
Gm   Gm/C
A stone s throw from Jerusalem
Ebmaj7   D
I walked a lonely mile in the moon light
Gm   Gm/C
And though a million stars were shining
Ebmaj7   D
My heart was lost on a distant planet
Gm   Gm/C
That whirls around the April moon
Ebmaj7   D
Whirling in an arc of sadness
Gm   Gm/C D   D
I m lost without you   I m lost without you
Ebmaj7   Cm7
Though all my kingdoms turn to sand
Gdim7   D
And fall into the sea
Gm   Gm/G   Eb   D   Gm
I m mad about you   I m mad about you

And from the dark secluded valleys
I heard the ancient songs of sadness
But every step I thought of you
Every footstep only you
And every star a grain of sand
The leavings of a dried up ocean
Tell me, how much longer? How much longer?

They say a city in the desert lies

The vanity of an ancient king
But the city lies in broken pieces
Where the wind howls and the vultures sing
These are the works of man
This is the sum of our ambition
It would make a prison of my life
If you became another s wife
With every prison blown to dust
My enemies walk free
I m mad about you   I m mad about you
Bbadd9   D7+
And I have never in my life
                          Gsus4
Felt more alone than I do now
B?   Eb
Although I claim dominions over all I see
Bb/E
It means nothing to me
             Cm7
There are no victories
          Gdim7   D   D7
In all our histories, without love

A stone s throw from Jerusalem
I walked a lonely mile in the moonlight
And though a million stars were shining
My heart was lost on a distant planet
That whirls around the April moon
Whirling in an arc of sadness
I m lost without you   I m lost without you
    Ebmaj7   Cm7
And though you hold the keys to ruin
Gdim7   D
Of everything I see
Ebmaj7   Cm7
With every prison blown to dust,
Gdim7   D
My enemies walk free
Ebmaj7   Cm7
Though all my kingdoms turn to sand
Gdim7   D
And fall into the sea
Gm   Gm/G   Eb   D Gm
I m mad about you   I m mad about you
