a intro é tocada 6 vezes até entrar a voz
Bm   Bm/C
A stone s throw from Jerusalem
Gmaj7   F#
I walked a lonely mile in the moon light
Bm   Bm/C
And though a million stars were shining
Gmaj7   F#
My heart was lost on a distant planet
Bm   Bm/C
That whirls around the April moon
Gmaj7   F#
Whirling in an arc of sadness
Bm   Bm/C F#   F#
I m lost without you   I m lost without you
Gmaj7   Em7
Though all my kingdoms turn to sand
Bdim7   F#
And fall into the sea
Bm   Bm/G   G   F#   Bm
I m mad about you   I m mad about you

And from the dark secluded valleys
I heard the ancient songs of sadness
But every step I thought of you
Every footstep only you
And every star a grain of sand
The leavings of a dried up ocean
Tell me, how much longer? How much longer?

They say a city in the desert lies

The vanity of an ancient king
But the city lies in broken pieces
Where the wind howls and the vultures sing
These are the works of man
This is the sum of our ambition
It would make a prison of my life
If you became another s wife
With every prison blown to dust
My enemies walk free
I m mad about you   I m mad about you
Dadd9   F#7+
And I have never in my life
                            Bsus4
Felt more alone than I do now
B?   G
Although I claim dominions over all I see
D/E
It means nothing to me
            Em7
There are no victories
          Bdim7   F#   F#7
In all our histories, without love

A stone s throw from Jerusalem
I walked a lonely mile in the moonlight
And though a million stars were shining
My heart was lost on a distant planet
That whirls around the April moon
Whirling in an arc of sadness
I m lost without you   I m lost without you
    Gmaj7   Em7
And though you hold the keys to ruin
Bdim7   F#
Of everything I see
Gmaj7   Em7
With every prison blown to dust,
Bdim7   F#
My enemies walk free
Gmaj7   Em7
Though all my kingdoms turn to sand
Bdim7   F#
And fall into the sea
Bm   Bm/G   G   F# Bm
I m mad about you   I m mad about you
