

Stolen Car Take Me Dancing
Sting

Gm
Gm Eb/G A7/G
Late at night in summer heat. Expensive car, empty street
Gm7 Eb
There s a wire in my jacket. This is my trade
A7 D
It only takes a moment, don t be afraid
Cm F
I can hotwire an ignition like some kind of star
Gm Edim
I m just a poor boy in a rich man s car
Cm Dsus4 D
So I whisper to the engine, flick on the lights
Gm
And we drive into the night

Gm Eb/G
Oh the smell of the leather always excited my imagination
A7/G Cm
And I picture myself in this different situation
Gm Eb
I m a company director, two kids and a wife
A7 Dsus4 D
I get the feeling that there s more to this one s life
Cm F
There s some kind of complication, he tells her he s alone
Gm Edim
Spends the night with his lover, there s a trace of her cologne
Cm D
And the words of his mistress, as she whispers them so near
Eb Cm
Start ringing in my ear

Bb Eb Cm F Gm
Please take me dancing tonight I ve been all on my own
Eb Cm F Gm
You promised one day we could its, what you said on the phone
Eb Cm F Eb
I m just a prisoner of love always hid from the light
F Gm
Take me dancing, please take me dancing tonight
