CAPO 2nd Fret (All chords relative to Capo)

Intro: **E-F#m-A** x2

**E F#m A**  
Talk to me so slow that I can hear you  
**E F#m A**  
Cause what you say makes so much sense to me  
**E F#m A**  
Here I ll stand with nothing on my mind  
**E F#m A**  
Forgetting everything I m supposed to say  
**E F#m A**  
As I start learning more you ll whisper to me  
**E F#m A**  
And tell me what to wish for when I dream the day away  
**E F#m A**  
Cause I know that you re the one to teach me something  
**E F#m A**  
Like who I am and how to make my way

CHORUS:

**A A/Ab F#m**  
And when all these things become clear  
**A A/Ab F#m**  
I ll thank you for making all these things seem so clear  
  
So clear

**E F#m A**

Take me to your favorite places

**E F#m A**

Where no one knows me but they all know you

**E F#m A**

I ll hide my fears and stand right by your side

**E F#m A**

As the whole world looks up at you

**E F#m A**

I hope that you stay shaven clean and somewhat sober

**E F#m A**

The bottle runs like water but to me it s all the same

**E F#m A**

So stay with me and be a father

**E F#m A**

And teach me how to read and write my name

CHORUS

**E-A-E-A-B**

**A A/Ab**

And just when you think I am crazy shy and have no feelings

**F#m**

I ll look at you and slowly say your name

**A A/Ab**

And I m thinking someday, maybe, I ll be just like you

**B**

And I ll never cry and I ll never be afraid

**A A/Ab F#m**

But not until all these things become clear

**A A/Ab F#m**

Will I thank you for making all these things seem so clear

**A A/Ab F#m**

Thank you for making all these things seem so clear

So clear

**E-F#m-A x2**

**E F#m A**

Now I see

**E F#m A**

Now I see

**E-F#m-A x4**

ENJOY!
