Em Am G

[Verse]

Em Am G
The hopeless immortal s beginning to fade
Em Am G
Wrestled down with anchors, impervious chains
Em Am G
The ocean s electric reduced to a buzz
Em Am G
The pills turn the popper, he probably would

Em Am G

Em Am G

[Verse]

Em Am G
The standoff mechanic of cognisance, sighs
Em Am G
Mulls brooding through the alleyway, a harbinger s night
Am D G C
He pulled the remains, and teeth from the tree
Em Am G
When he sat down in memphis, he bound it on a hill

[bridge]

G G F F Am
G G F F Am G G F F Am
How to take it all in stride, win your soul and mind the light
G G F F Am G G F F Am G G F F Am
How to live around the storm, wind and pressures to befall

Am D G C
Here s a question you might need to ask
Em Am G
What s self destruction and how can we last?
