

3030-150

Stone Sour

E

I am a dominant gene - live as I die

E

Never say forever cause forever s a lie

E

I can see right through you so I can ignore you

E

The story changes but the ending won t bore you.

A

G

I tried to tell you but you simply obeyed

A

They didn t listen so they threw you away

E

Now all you do is talk - I don t wanna hear your bullshit

E

Is this what you want?!

B

This is where it begins

B

This is where it ends

B

This is where it begins

B

E

And this is where it ends

D

G

A

They called us a dead generation,

B

A

G

E

They told us that we wouldn t survive

D

G

A

They left us alone in the maelstrom

B

A

G

E

As you can see we re all clearly alive

D

G

A

We know where you are and were coming

B

A

G

E

Let s see you say that shit to our face

D

G

A

30/30-150 Remembers

B

30/30-150 HATES

E

In my own peculiar way I feel mercurial

E

Before I get ahead of myself again

E

I know the where but I still don t know the when

A

G

You wanna live in a one-sided world

A

Be prepared for a whole world of hurt

E

Now it s the Grand Facade

E

I don t want to be an angel

E

B

I just want to be GOD

D

G

A

They called us a dead generation,

B

A

G

E

They told us that we wouldn t survive

D

G

A

They left us alone in the maelstrom

B

A

G

E

As you can see we re all clearly alive

D

G

A

We know where you are and were coming

B

A

G

E

Let s see you say that shit to our face

30/30-150 Remembers

B

30/30-150 HATES

E

I am a fucking machine fueled by the past

E

A memory s a memory until it s a fact

E

I can bury the hatchet and let some shit go

E

But I got too many grudges to hold!

A

G

Saw a lot of people die in the end

A

I never wanna walk that road again

E

Now I will never give up

E

I don t want to have it all,

E

I JUST WANT TO HAVE ENOUGH

B

This is where it begins

B

This is where it ends

B

This is where it begins

B

E

And this is where it ends

D

G

A

They called us a dead generation,

B

A

G

E

They told us that we wouldn t survive

D
