C

I don't know how else to put this

Am

It's taking me so long to do this

F

C G

I'm falling asleep and I can't see straight

C

My muscles feel like I may lay

Am

Body is curled in an U shape

F

C G

I put up my best, but I'm still afraid

C

Propped up by lies and promises

Am

Saving my place as life forgets

F

C G

Maybe it's time I saw the world

C

I'm only here for a while

Am

Patience it's not my style

F

G C

And I'm so tired that I gotta go

Am

What am I supposed to want now

F

What am I supposed to do?

C

G

Did you really think I wouldn't see this through?

Am

Tell me I should stick around for you

F

Tell me I could have it all

C

G C

And still I'm too tired to care and I gotta go

C

I get to go home in one week

Am

But I'm leaving home in three weeks

F

C

They throw me a bone just to pick me dry

C

I m following soothing directions

Am

I crawled up inside for protection

F

C

I m told what to do and I don t know why

C

I m over-existing in limbo

Am

I m over the myths and placebos

F

Am

C

I don t really mind if I just fade away

C

I m ready to live with my family

Am

I m ready to die in obscurity

F

G

C

cause I m so tired that I gotta go

Am

What am I supposed to want now?

F

What am I supposed to do?

C

G

Still don t think I wouldn t see this through?

Am

Tell me I am part of history

F

Tell me I can have it all

C

G

C

And still I m too tired to care and I gotta go
