

**Black Again**  
**Stone Temple Pilots**

(For the chorus strumming pattern, hold the last strum for 6 beats - strumming pattern generator doesn't allow the pattern to be that long)

[Verse]

**Cmaj7** **D**  
When you're fed up and lonely  
**Cmaj7** **D**  
And nothing else seems to matter really  
**Cmaj7** **D**  
I'll be here waiting for the black cloud to leave you  
**Cmaj7** **D**  
I'll be here to hold your hand when you're tired and lonely

[Chorus]

**Em7**  
She can't eat  
  
She can't sleep  
**Cmaj7**  
She's not well (she's lonely again)  
**Em**  
She can't breathe  
  
She's in bed  
**Cmaj7**  
She's in hell  
**Cmaj7**  
But she'll never  
**Bm7**  
Really be alone  
**Bbmaj7**  
As long as I'm beside her

[Verse]

**Cmaj7** **D**  
Hold your breath underwater  
**Cmaj7** **D**  
And know you'll rise to the surface slowly  
**Cmaj7** **D**  
Think of me as a ship that might hold you  
**Cmaj7** **D**  
Carry you to the shore when you're tired and lonely
