

**Interstate Love Song Intro**  
**Stone Temple Pilots**

```
E|-----  
B|-----  
G|-----  
D|-/11~-9-10^p^9-----10-13-14p13-9-10^  
A|-----11-97-9-11-----  
E|-----
```

for 10^p^9: bend the tenth fret up and the ninth at the same time. Pull to the ninth fret, still bent, and un-bend it (for lack of better words...lol)]

make sure your bends are QUICK and a full bend at that too!

just to keep it real , the drum part:

```
H|0-x-x-x-x-x-x-x-x-|  
S|----x----x--x-----|  
B|x-x----x---x-x-----|
```

I don t know. tabbing drums...eh...kinda odd. I don t much think of what s goin on when I play, but I think this is close...CLOSE! STP isn t the most complicated drumming, anywho.
