Lyrics

It s ok, it s ok, ok relieve me  
Pins in me, pins in me, in me you kill me  
The lounge fly, the lounge fly, the fly you bring me  
I think I m free but the dogs they won t release me  
Don t have a nickel or a dollar but you feed me  
My bottle s empty but you always refuel me  
I feel I m sinking but you won t let me drown me  
I wanna f@(\*, wanna f@(\* but do you need me?

I can t give what I take away, and the other understands  
She said she d be my woman, she said she be my man  
I can t live this way  
Please refill my soul

(verse)

(chorus)

Said she d be my woman...she said she d be my woman, said she d be my man

(solo 1) -Dean takes one of his quirky (awesome) trademark solos...

(chorus)

(solo 2) -Butthole Surfer Paul Leary pops in for a little solo in D pentatonic  
minor
