

Perdida

Stone Temple Pilots

[Intro] **Em C Am7 B7**

Em **Am7**
Thank you for the memories I carry
B7 **Em**
The time is here to move along
Am7
Never been one to do things gracefully
B7 **E** **E7**
I know for that I m always wrong
Am7
Oh Perdida, come and go
D
Stay with me tonight
G **B7**
But in the morning, please be gone

(**Em C Am7 B7**)

Em **Am7**
I know the changes are the ones you see
B7 **Em Am7 B7**
I m lost in circles most the time
Em **Am7**
As stronger reason gets the best of me
B7 **E** **E7**
Behind the smile I m slowly dying

Am7
Oh Perdida, come and go
D
Stay with me tonight
G **B7 E**
But in the morning, please be gone
E7 **Am7**
And oh Perdida visits me
D
I ll meet you in the sky
G **B7**
Where the winds turn into breeze
