letra

I used to love you now I don t care
Now i turn around, you re everywhere
So you can chew me up and spit me out
You re just the little bitch I cared about
I know you can see me / But you don t believe me
I know that you re lonely
Time will tell and time is hell
No sex or violence
No morbid silence
Forever sleeping
You won t stop breathing
You hold me captive and it s not fair
Progressed insanity is everywhere
You need to love me but you kicked me out
My head is wandering so knock me out
I keep my head afloat I m drownin in
The muddy water pulls me down again
I used to love me but I hate me now
I m just a little bitch I cared about
