

**Song For Sleeping**  
**Stone Temple Pilots**

A song for sleeping  
tabbed by: Chris Magowan (\*)

The fills might be a little more complicated, just play around with them though also at the DaddA section there's a cool little fill there as well. e-mail me with corrections comments, etc. thanks. enjoy.

F#  
Finally I've met you  
The day has come  
You're more than beautiful  
And you're my son  
E  
I don't deserve this  
I never thought it could be  
F#  
Quite like the moment  
When you first smiled at me  
E  
A toothless, wonderful feeling  
Like I'd never seen  
F#  
It's you, Noah, it's you

DaddA            DaddG#            DaddA  
And when you lie down to sleep  
I'll protect you  
DaddG#  
From the demons of the night

F# G                    A            B  
While I'm watching you grow  
B            A  
I'll pray  
E  
There's so much I could teach you  
B  
If you only have the time  
A  
Pray

E  
There s so much God can teach you

B

If you only have the time

F#

So will you tell me the little things?

What does God look like?

And angels wings?

E

I don t remember these things

So would you teach them to me?

F#

So for the moment

I ll watch you breathe

E

And when you wake up in the morning

And I pour the coffee

F#

You re always smiling sweetly

DaddA DaddG# DaddA

And when you lie down to sleep

I ll protect you

DaddG#

From the demons of the night
