G A F7M
Oh, I d beg for you
G F7M
Oh, you know I ll beg for you
G A
Pick a song and sing a yellow nectarine
F7M G A
Take a bath, I ll drink the water that you leave
F7M G A
If you should die before me ask if you can bring a friend
F7M G A
Pick a flower, hold your breath and drift away

She holds my hand we share a laugh
Slipping orange blossom breezes
Love is still and sweat remains

A cherished gift, unselfish feeling
G A F7M
Oh, I d beg for you
G F7M
Oh, you know I ll beg for you
G A
Pick a song and sing a yellow nectarine
F7M G A
Take a bath, I ll drink the water that you leave

If you should die before me ask if you can bring a friend
F7M G A
Pick a flower, hold your breath and drift away
