Stone Temple Pilots

[Intro] **D E G Bm C**

D   **E**
I swim in oceans of blue sky
          G
Autumn hazy
       Bm   **C**
They tell me it s only you
    D   **E**   **G**
Anticipating the one thing that could save me
      Bm   **C**   **D**
But something s not right with the moon
 D   **E**   **G**
Every time I get by I get closer to thinking
        Bm   **C**   **D**
And we don t need that again
D   **E**   **G**
I ve been sinking in blue eyed Autumn baby
  Bm   **C**   **Am**
Still thinking back to when

Am   **D**
I thought she d be mine
                              Am
Thought she d be mine
                              D
I thought she d be mine
                              Am

(**Bm D F#m G Bm C**)

D   **E**
I walk the streets out of time
                    G
So tired and lonely
  Bm   **C**   **D**
Never to be the same
                                  E   **G**
It could ve been something beautiful if only
      Bm   **C**   **D**
I opened my eyes too late
D   **E**   **G**

```
Every time that I try words get lost in the wind
     Bm           C         D
And we don t need that again
