Album-Velvet

Em C G D-. 2x

Em

Well how was I to know that the dust in my soul

C

Was there for a reason the reason won t show

G

It could be rust it might be gold

D

It s out of my hands on with the show

Em

The prize that already bears my name

C

Just gotta get there first before it gets claimed

G

and I ll call on you when I find the timea.

D

and I promise I ll wave goodbye

Chorus:

C

G

High above the water never think twice

D

Em

Must have been a long way down

C

G

D

And I ll catch you when the next sunrise comes back around

C

G

Yeah I should have told you I was stuck in my ways

D

Em

Must have passed the white flags by

C

G

D

But I m high above the water now, look at me fly

I m lookin at the devil standin in the roses
starin right at me, where you want to go son
take what you need but don t wear yourself down
If you stir up trouble you know I ll be around
but you better not call when the money s not right
In the free of the fall no one to kiss goodnight
Take a look around, make yourself at home
Just take a deep breath it will be just fine

Chorus:

High above the water never think twice

Must have been a long way down
And I ll catch you when the next sunrise comes back around
Yeah I should have told you I was stuck in my ways
Must have passed the white flags by
But I m high above the water now, look at me fly
yeah, just look at me fly

Interlude

Repeat Chorus:
