Stoney LaRue

Capo 2

Intro: **D G A D** G-A-D (X2)

**D** **G**  
I never thought I needed anyone  
**A** **D** G-A-D  
Or anything to get me through  
**D** **G**  
Come to close and then I d start to run  
**A** **D** G-A-D  
Just to stay one step ahead of you  
**D** **G**  
And I d see others walking hand in hand  
**A** **D** G-A-D  
Say to myself what a couple of fools  
**D** **G**  
How could one woman just love one man  
**A** **D** G-A-D  
And not tear his heart in two

Intro

**D** **G**  
Fools chase love around so desperately  
**A** **D** G-A-D  
Till the end up all alone  
**D** **G**  
Shouldn t love come more naturally  
**A** **D**  
Like a river cuts into a stone  
G-A-D  
And you know I

Chorus:

**D** **G**  
I love you for loving me  
**A** **D** G-A-D  
Because it s a rare and precious thing  
**D** **G**  
And you can t run from love that s meant to be  
**A** **D** G-A-D  
So let it shine on everything

Intro (X2)

**D** **G**  
Took a little while but I found myself  
**A** **D** G-A-D  
Right where I did not need to be  
**D** **G**  
I try to push the blame on someone else  
**A** **D**  
That s when it all came crashing down on me  
G-A-D  
And that s why I

**D** **G**  
I love you for loving me  
**A** **D** G-A-D  
Because it s a rare and precious thing  
**D** **G**  
And you can t run from love that s meant to be  
**A** **D**  
So let it shine on everything  
**A** **D** G-A-D  
Oh let it shine on everything
