

In the bigger picture theres a course seventeen times straighter

D G Bm

In the bigger picture theres a dream eighteen times greater

D G Em G D

And it ll steer you like no other in the bigger picture

VERSE

A G

You may have seen a blazing bonfire, Burning bright with fickle beauty

Bm D

That was turned to lifeless ashes in the morning

A G

You may have seen a single snowdrop, Where it shivered in the graveyard

F#m A

No less fragile than the soul to which you cling

Em F#m

But if you haven t seen the people you have come from,

G A

Then you haven t seen the person youve become

CHORUS

D G D

In the bigger picture theres no answer to your prayers

F#m G Gm

In the bigger picture but theres a billion other fires

D G Bm

In the bigger picture you ll learn how to build yours higher

D G Em G D

When youâ€™ve seen the savage wonder in the bigger picture

D G Bm

In the bigger picture theres a sea breeze three times fresher

D G Em G D

And it ll make your two eyes water in the bigger picture
