The End Of The Movie Stornoway Capo on 9th Fret, although as System of a Down pointed out in the comments, the recorded version is Capo 8th tuned slightly flat. Really just put the capo on whatever fret suits your singing voice/ability (I like it on 5 personally). Corrected lyrics and added 2nd verse etc... Thanks to System of a Down for input and corrections! Bass strum following chords: VERSE 1: C/G Am 6am you left me for the last time Em F On my doorstep, blinking in the sunshine С Am Blamed and framed I m frozen in the picture Em F Hanging in the space you left inside me PRE-CHORUS Dm Am Climbed upstairs into the final scene C G7 Waiting for the credits to appear, for all the years that I ve been... CHORUS С Starring (starring) F C Starring in a film with you and leading (leading)  $\mathbf{F}$ С C/B Am Leading with a star I knew but I m waking u-u-u-up Em F In a lone beam of light where the dust is dancing G7 Am Em F С

As the music fades

VERSE 2: C Am On my way out, for the very last time

**Em F** Off my doorstep, straight into the sunshine

C Am Walking west and following the coastline

**Em G** Looking for a sea of change

BRIDGE **F Am** You led me here when the world began

C Em And the breakers shook the moonlit sand

PRE-CHORUS
Dm Am
Saw your pale face shining through the spray

C G7 And I was blown away, with the feeling I was...

CHORUS C Starring (starring)

 ${\bf F} ${\bf C}$$  Starring in a film with you and leading (leading)

FCC/BAmLeading with a star I knew but I m waking u-u-u-up

**Em F** In a lone beam of light where the dust is dancing

G7 C As the music fades

OUTCHORUS C F C F (Starring), (leading)

C C/B Am Em E7 waking u - u - u - u - up
