Story of the Year

[Intro]

C#m E A B C#m E F#m A 2x

[Verse 1]

C#m
I wish that I could pretend
E A
There s a place for me with the skeletons
B C#m
Where I never have to hide
E F#m A
And a god above who tucks me in at night
C#m
But this is more like the end
E A
Of a fucked up dream where I swear to myself
B C#m
I ll make it out alive
E F#m
But before the angel can save my soul
A
I let her go

[Chorus]

C#m
Bang! Bang!
E A
A bullet to my head

Hey! Hey!
B C#m
Alive amongst the dead
E F#m
One last kiss before I go

A
Whoah! Whoah!
C#m
Bang! Bang!
E A
A bullet to my head

Hey! Hey!
B C#m
Alive amongst the dead
E F#m
One last kiss before I go
A

Whoah! Whoah!

[Verse 2]

C#m **E** **A**
Now it s hard for me to keep smiling
B **C#m**
While I m begging for a knife
E **F#m** **A**
To carve away the thoughts of you and I
C#m
But at least I can say
E **A**
That I ve learned something about giving up
B **C#m**
And fighting for my life
E **F#m**
Give me one last try and I ll get it right
A
Or say goodbye

[Chorus]

C#m
Bang! Bang!
E **A**
A bullet to my head

Hey! Hey!
B **C#m**
Alive amongst the dead
E **F#m**
One last kiss before I go
