Intro: Dm# C# F# C F# C#

Gm# F# C#
I should be happy and I m nothing but mad
Gm# F# C#
I m going nowhere, nowhere but last
Gm# F# C#
Outside my window there s a moon that disappears
G#7 F# C#
A new day risini out of yesterday s tears
C#
And won t you

F# C C# F# C#
Shine that light on me for a little while
Dm# C# F#
Share That Smile
F# C# C#
Smooth the edges off the world that running wild

Gm# F# C#
What appears the real thing ain t always what it seems
Gm# F# C#
Sometimes the light will play trick on your dreams
Gm# F# C#
Time has a way of sorting these things out
G#7 F# C#
Peeling back the layers of heartbreak and doubt

SOLO Gm# F# C# (x)

Gm# F# C#
You can go on preaching your fears and alibis
Gm# F# C#
Watch over a world that unravels with your lies
Gm# F# C#
But if you decide to let a little goodness in
G#7 F# C# C#
Remember all the others and the hopes you have dimmed
