

Deliverance
Strahan

E
Your love is a flood and I drink deep when the tide is up

B	C#m	A
Oh	would you	flood me too?

E
Saltwater in my blood has made me taste sweet to the world

B **C#m** **A**

Oh and you taste sweet too

C#m	A
This is my deliverance	hands held high as you deliver it

E Oh you have made me a child of God

C#m
My feet on the ground and my heart in heaven

A
I am bread made without the leaven

E Oh you have made me a child of God

E
I lay in the sand with sweet forgiveness in my hand

B **C#m** **A**
Oh as a gift from you

E
Your water floods my brain this grey cranium wont be the same

B	C#m	A
No where Iâ€™ve been wonâ€™t do		

C#m	A
This is my deliverance	hands held high as you deliver it

E **B**
Oh you have made me a child of God

C#m
My feet on the ground and my heart in heaven

A
I am bread made without the leaven

E Oh you have made me a child of God

A	C#m	B
And I wonâ€™t go		

A	C#m	B
Until I know		

A C#m B

That you have sown
F#m **A**
All you have in me

(Chorus)
