Seneca Tragedy Straight Line Stitch

Hey there i hope you enjoy play this song with my tab. The D# in the Pre Refrain part

cant be played with standard tuning cause its lower thats why its written in brackets.

I was figuring this out to be playable on an acoustic guitar too (e guitar is possible

too). Most of the time you play it in barree.

Maybe transpose it to get easier chords. I hope this tabs gives you a nice start.

Looking forward to see some covers on youtube ;)

Used chords:

	Cm	Bb	Fm	C#	D#	G#	A#
E	3	1	1	4	6	4	6
В	4	3	1	6	8	4	6
G	5	3	1	6	8	5	7
D	5	3	3	6	8	6	8
Α	3	1	3	4	6	6	8
E			1			4	6

This is how you can play the part before the refrain starts C#
