THE RUNAWAY BROTHERS

by Strangelove

This song is featured on the selftitled, third Strangelove-album. I haven t written down any guitartabs, though I haven t figured every bit out, but all the chords are here. I think it sounds best when you play it on a keyboard, but guitar will do. Lovely song.

[verse]

C#m **B** **A** **E**
I didn t want to write this song
C#m **B** **D#m** **G#** **C#m**
becuase I love you and you ve been my friend so long
B **A** **E**
We were the same when we were young
D#m **A/B**
living it two as one

We shared our money and our clothes
we shaded the pain that noone else could ever know
A prison cell we made a home
doing it on our own

All thought the scraped and all the narrow escapes
you pulled me through you made me feel like I was not insane
We promised that we d never change
holding out on the edge

[chorus]

E **G#**
Today

C#m **A**
life s a different story

E **G#**

Today

C#m **G#**
Sad and yet not sad in a

E **G#**

way

C#m **A**
People never do stay the

E **G#**

same

C#m **G#** **D#m** **A/H**
and the runaway brothers have had their day

[verse]

Remember on your wedding day
I must admit I had the strangest feeling then
Outside the church we took some flak
Both throwing up round the back

But now when we meet up today
it don t seem right that we just don t know what to say
Both stood there staring at our shoes
not knowing what to do

[chorus]

Today
life s a different story
Today
Sad and yet not sad in a
way
People never do stay the same
and the runaway brothers have had their day
