

Before The Winter
Stratovarius

Em C Em C
Before the summer turns to winter, before the dreams will turn to snow.

Em C D Em
I see the yellow leaves are falling and soon I know I have to go.

Em C Em C
But I ll be back before the summer, next year you re in my arms again.

Em C D Em
The winter breeze will send my message, it will keep you warm until then.

Am G - F G C
The path to home is long and winding.

F Dm E Am
I ll keep the flame alive for you until I am back.

Am G - F G C
You and I will walk that road together,

F Dm
I ll show that all the dreams are true

E Am E Am
if you only let them be before the winter.
