Before The Winter Stratovarius

EmCBefore the summer turns to winter, before the dreams will turn to snow.EmCDEmI see the yellow leaves are falling and soon I know I have to go.

EmCBut I ll be back before the summer, next year you re in my arms again.EmCDEmThe winter breeze will send my message, it will keep you warm until then.

FDmI ll show that all the dreams are trueEAmEAmif you only let them be before the winter.
