

Or would you gaze in wonder
While the world was turning
While the moon made quiet
All the years of yearning
Would the flame keep burning
If you knew the powers that be would set you free

Chorus 1:

Don't know why you had to go
In the stormy night a flame in the darkness
And we'll never really know
If you'll ever see me again

repeat Intro

Verse 2:

Swam around in circles
In the angry ocean
And your dream of safety
Just a lost emotion
Could a faded notion
Make you find your way back to shore looking for more

So we head for safety
But we never get there
And I brush the shadows
From a scary nightmare
On the road to nowhere
Would you help me carry my cross and set me free
